

### Report on Cap & Gown fall 2015

Fall semester of 2015 had 203 student athletes at College of the Redwoods. To support these students in their academic success, we held ten sections of Cap & Gown EDUC 205, Supervised Tutoring. There were a total of 10 sections staffed by tutors.

83 (41%) of the 203 student athletes were recognized for their GPA of 3.0 or higher by placing on the fall 2015 honor roll. Furthermore, every sport had honor roll athletes including:

Baseball (14)

Men's Basketball (2)

Woman's Basketball (9)

Cross Country/Track (9)

Football (26), Men's Soccer (7)

Woman's Soccer (8)

Softball (8)

Volleyball (4)

There were also 23 student athletes on the President's Honor Roll, and 12 on the Vice President's Honor List.

Fall 2015 was the last semester that the Cap and Gown program was run through the Adult Education program. As of spring 2016, this program is being run by the Athletic Department under Dean Joe Hash. This will, therefore, be the last report on Cap & Gown to the Basic Skills Committee.
