## Report on Basic Skills Initiative Funded Projects

In addition to the yearly state allotment, Basic Skills applied for and obtained a 3-year Basic Skills Student Outcomes \& Transformation grant (2016-17 through 2018-19) to scale up our acceleration, multiple measures, and EPIC programs to reach more students. Funds were used in the following areas:

## Tutoring

Expanded Tutor Services for Basic Skills Students

- Increased individual tutoring support through the ASC, Math Lab, and Writing Center
- Embedded tutors in the "Math Jam" placement class

Expanded EPIC (Embedded Peer Instructional Cohort)

- Developed a modified Supplemental Instruction Program
- Spring 2016
o Math 380
o English 350
- 2016-17
o English 102
o Math 380
o Math 102
- Currently, there are 6 English and 6 Math classes with EPIC support

## Unified Tutor Training

- Provides training for tutors across the district
- 12 math tutors were trained in Spring 2017 for the ASC, Math Lab, EOPS, and TRIO. English and Biology tutors will be included in the program in Fall 2017

## Placement

Multiple Measures Assessment Project was piloted in 2015-16.

- Worked with local high schools to gain permission to access CalPass information.
- Students are now placed with the new, researched based decision tree that considers cumulative high school GPA and math course history.
- Basic Skills funds were used for professional development on Eureka and Del Norte campuses.

Participated in the Chancellor's Office Research \& Planning group (RP Group)

## Curriculum and Professional Development

Developed Accelerated Pathways (2012-2017)

- 8 English/Reading and 6 Math faculty attended one-day workshops.
- 8 English/Reading and 6 Math faculty participated in the year-long Community of Practice acceleration training.
- 1 English and 1 Math faculty participated in Acceleration Leadership Institutes.
- First English Accelerated Pathway offered Spring 2014. 17 sections are currently scheduled for 2017-2018
- First Math Accelerated Pathway offered Fall 2015. 8 sections are currently scheduled for 2017-2018

## Reading Apprenticeship

- Introductory workshop held on Eureka campus in 2016.
- Faculty inquiry group was started in Spring 2017.
- 5 English/Reading faculty will attend Reading Apprenticeship training in Summer 2017.

## Basic Skills Computer Labs

- Eureka: Computer Lab in SC 214 was built in Summer 2016
- Eureka: Computer Lab in HU 114 coming Fall 2017
- Del Norte: Computer Lab in DM 15 coming Fall 2017
