

Request for Instructional Student Equity & Achievement and Guided Pathways Funds

Purpose of the Student Equity & Achievement Program:

The Student Equity and Achievement Program (SEA) merges funding for three initiatives: the Student Success and Support Program; the Basic Skills Initiative; and Student Equity. Integrating these efforts into a single SEA Program advances our goal of demolishing, once and for all, the achievement gaps for students from traditionally underrepresented populations.

The SEA Program requires colleges to implement the Guided Pathways framework, designing clear paths to stated educational goals, providing all students with an education plan based on those goals, and eliminating outdated and inaccurate placement policies that keep many students from completing their goals in a timely manner.

As outlined in Educational Code 78222, SEA funding must:

1. Support activities and practices pursuant to the college's implementation of Guided Pathways
2. Ensure that students complete their educational goals and courses of study, and
3. Provide curriculum, instruction, and support services to ensure that students deficient in English and mathematics complete a course of study in a timely manner

The Guided Pathways Committee may be targeting specific projects in a given year based on the current Guided Pathway plan submitted to the Chancellor's Office. Preference will be given to requests connected to this plan, available on CR's Planning Website:

<https://internal.redwoods.edu/Portals/25/Guided%20Pathways%20Plan%202018-2022.pdf>

Note: Instructional SEA funds are not eligible to supplant existing staff or operational funding.

- Your proposal's costs must include taxes, shipping and benefits (actual quotes should be included where possible; benefits can be estimated at 10% of total salary).
- An itemized cost for each funding request must be included.

Upon approval from the Basic Skills Committee, the next step is to complete the correct document(s) needed to encumber your approved funds. Please work with Stephanie Burres to complete and finalize these documents.

Complete the form on the page below, and email the completed request packet as an attachment to Stephanie-Burres@redwoods.edu.
