#	Responses	Date
1	For most of the year, the committee did not function well. But this was in some ways good, because the deterioration reached a point where the need for an overhaul could no longer be denied.	4/14/2016 11:00 AM
2	Not sure, need more time on the committee	4/14/2016 9:05 AM
3	more thought is being given to making processes more consistent and more transparent	4/11/2016 12:09 AM
4	The committee consistently has reviewed very timely information and provided valuable feedback to the president.	4/8/2016 11:46 AM

## Q4 17. How can the committee operate more effectively?

Answered: 6 Skipped: 1

#	Responses	Date
1	The CIO and Senate Co-Presidents have met to work on ways to make this committee function more effectively by making its membership draw from a wider variety of groups and giving it stronger leadership. These changes have not yet been officially approved by the BPC or IEC yet though.	4/14/2016 11:00 AM
2	Sending out the agenda and any documents at least a couple of days before the meeting instead of a couple of hours ahead of the meeting would allow the members to be better prepared for discussions. Ensuring that all members receive the information.	4/14/2016 9:05 AM
3	Have a time limit for those individuals speaking on a topic.	4/12/2016 2:05 PM
4	Dates are set in advance; all members should prioritize attending meetings and come prepared. Full participation and representation from all constituent groups should be a priority. Relevant documents and information should be circulated well in advance. Minutes and agreed actions from previous meetings should be circulated in advance of next meeting. Purpose of meetings should be clear. Decisions needed should be clear with time allowed for background information and discussion.	4/11/2016 12:09 AM
5	Information needs to be available sooner to make real decisions. Also, the information is difficult to understand.	4/8/2016 11:48 AM
6	This year the committee got bogged down with minor details of a rubric. After several meetings the rubric was largely unchanged.	4/8/2016 11:46 AM
