Joe will meet with Alia regarding MCC outcomes. Deadline in absolutely Friday. Student services in under scrutiny from the SRCAJCC</li></ul>
2.0	<ul style="list-style-type: none"><li>New Student On-Boarding process-1) Next year we will be working on guided pathways. It involves revamping how we approach students from the time of entering in the college to completion. For us the pathways are important, but the big portion is the on boarding. EAB found that from 2011-2014 2 year colleges lost over half prospective students from the time of application to the time of the first class. 56% attrition rate. Colleges need to change structure and process to make it easier for students to navigate. 1/6 students drop out due to scheduling conflicts the odds are 2 ½ times higher to drop out is a student doesn't have an SEP.</li></ul> <p>Need to find ways to simplify on boarding process. Student email presents a huge barrier. Website needs a revamp, different languages, sending to personal email.</p>
3.0	<ul style="list-style-type: none"><li>CSEA BBQ-Please sign up on the spreadsheet to help with BBQ. People will be heading to Del Norte on Friday to put on the BBQ at Del Norte. Julia will reserve van.</li></ul>
4.0	<ul style="list-style-type: none"><li>Welcome Center- Was supposed to be where the Vets center is currently located. They would like to stay in the student services building instead of the PE building. Joe thought the welcome center could be where lyn used to work. It's currently unoccupied. Floor stickers for welcome center, financial aid etc... There will be guided pathways funds, a lot goes to faculty to create release time.</li></ul>
