

Suggestions for Tech Plan Items

E.P Goal 4

S.P. Goal 4.1

Aligning technology to support CCC online initiatives (OEI, Assessment/Multiple Measures, Student Planning)

E.P. Goal 1.2

S.P. Goal 1.4

Single sign on for students for student services (e.g., Canvas, Webadvisor, Email)

Implement Ellucian Portal

S.P. Goal 4.1

Continue to improve infrastructure for and availability of wireless network.

Continue to improve classroom instructional technology (e.g., lecture capture)

Identify lecture capture tool (have storage space)—DE Committee to discuss

Identify hardware for capture (video, mic)

Goal

Develop technology replacement plan

Develop system for identifying computers and technology to replace

Determine cost and budget to replace them

Create replacement plan accordingly

Datatel Server Migration

Determine platform (Unix, Linux or Windows)

Determine data type (Unidata or SQL)

Identify consultant to work with IT staff for implementation
