

Associate Faculty Pay Schedule

Associate faculty are paid each month on the 10th. If the 10th falls on a weekend or College holiday, associate faculty are paid on the preceding business day.

September	February	10%
October	March	25%
November	April	25%
December	May	25%
January	June	15%

For late-start classes:

Your pay is based on the number of weeks in your contract for the late-start class. Please remember this is an estimate.

Example: Class meets 9/dd/yy – 12/dd/yy = 4.5 TLUs x \$748/TLU = \$3,366
September 4 weeks
October 4 weeks
November 5 weeks
December 2 weeks
Total 15 weeks
\$3,366 / 15 weeks = \$224.40 / week
\$224.40 x 4 = September pay received on October 10th, and so on.

For noncredit/adult education classes:

Payroll will total the number of times your class meets over the semester. This will then be broken down by months. If you class is cancelled or changed, payroll will make adjustments. Please remember this is an estimate.

Example: Class meets 8/dd/yy – 12/dd/yy MW, 5 TLUs x \$748/TLU = \$3,740
August Class meets 2 times
September Class meets 7 times
October Class meets 9 times
November Class meets 9 times
December Class meets 4 times
Total class meetings = 31
\$3,740 / 31 class meetings = \$120.64 per class meeting
