College of the Redwoods is pleased to announce the implementation of a new emergency alert system. In the event of an emergency on campus, you can elect to receive an alert through your CR email, personal email, and/or phones at your home, office, and cell. This emergency alert system will be available to all students, staff, and other interested parties.

Registration is necessary in order to receive emergency alerts. Please go to <https://www.GetRave.com/login/Redwoods> and use the ?Register? button on the top right portion of the registration page to create an account. During the registration process you can elect to add additional information, such as office phone, home phone, cell phone, and personal email. Please use your CR email address as your primary Registration Email. Your CR email address ends with ?redwoods.edu.?

We will test the system each semester to be sure that you are getting alerts at all of your destinations.

Please contact Public Safety, 707-476-4112, security@redwoods.edu, if you have any questions.

Register, if you have not already, to create your RAVE account.

****You must use your redwoods.edu email address****
