Ron Waters called the meeting to order at 1:00 via Zoom and introduced Mike Perkins who will be the incoming Director for the AJ Program at College of the Redwoods. He will start after Ron retires on December 18 and, when asked, verified that he intends to continue the work of this committee as he felt it is “moving in the right direction”.

The group continued work on the training suggestions laid out in the Google Doc, polishing each point to clarify wording and purpose with changes being made IN that document.

Meeting ended at 2:15. Mike Perkins will call the next meeting, likely after the first of the year.
