Hillary Reed

1. CALL TO ORDER:

The Advisory committee was called to order at 4:00 PM by Hillary Reed.

2. APPROVAL OF MINUTES:

The minutes from the May 21, 2010 meeting were approved.

3. CTEA GRANT:

Verified equipment needs for CTEA grant. Discussed need for Nitrous Oxide curriculum as identified by the Committee on Dental Accreditation (CODA) site visitors. Committee members stated that graduates are intimidated by equipment in the field. Also, Hillary discussed that current curing lights donated by Dr. Wieman need updating because the batteries keep losing charge in the middle of the procedure. Students and dentists have become frustrated and room for errors exist with the current situation.
