Student Support

Good information and clear communication about your needs will help you be successful. Please let your instructor know about any specific challenges or technology limitations that might affect your participation in class. College of the Redwoods wants every student to be successful.

Student feedback policy

I will access the class website regularly and respond to posted questions and messages generally within 24 hours of receipt (I only check my messages once per day). If for some reasons, I miss your message, send me another within 24 hours and I will definitely see it. Additionally, I read and provide feedback to each student's discussion forum posts by the end of the week in which they are due. There is also regular instructor-based communication in the Canvas messaging system. I will give you detailed feedback on your project assignments by two weeks after they are submitted. I generally do not respond to messages during the weekend.

Evaluation & Grading Policy

Course Assignments: Every Sunday, the week's assignments will be listed in **Announcements** and posted in the Modules section of Canvas. You will complete them by the due date in the week they are assigned. The weekly assignments will typically require you to read textbook chapters, review online power point slides, watch course material videos, participate in discussion forums, and complete chapter quizzes. Several weeks will require a written exam or a project submission.

Canvas Homework Quizzes: (20% of your final grade) These will be multiple choice in their format and contain 15 multiple choice questions. Unless otherwise noted, there will be Canvas quizzes due every Sunday night at 11:45pm. You will be allowed 3 attempts, they are timed (60 minutes) and the questions change with each iteration. The quizzes will remain open to view and study from for the final but please do not submit them after their due date. I will drop your lowest two quiz scores as extra credit assistance.

Homework discussion forums: (20% of your final grade) Each week, I will post questions to the discussion forum. Students will respond to the questions and based on the answer, I will provide a grade for the response. A rubric is attached to the discussion forum assignments. There will be several

questions each week. You need to provide a unique response to each question. Questions are meant for you to think and ponder various aspects of the course discussed in the text for that week. You may need to do an internet search to find unique answers or because the question requires a little research as occasionally additional information may be required. I will drop your lowest discussion forum week score (1 week of discussion forum). I urge you to look at the discussion forum questions early in the week to avoid it being challenging to find a unique response, one that is different than another student's response or perspective. I also will provide extra credit to students that work to assist other students by providing meaningful feedback.

New Venture Project: (20% of your final grade) To better understand how to develop and run a business, we will create a new venture in which we will follow many of the topics within our text to present to an audience. The format for the new venture project should be in Powerpoint, Prezi, etc as slides for presentation. I highly urge you to include voice over if possible to enhance the delivery of your new venture. More details on this assignment within the course modules. You may work in groups or alone on this project.

Personal finance project: (15% of your final grade) To integrate important concepts from this course, we will take a look at our own personal finances. This project will explore your feelings about money, expenses, and saving. It will also explore how you budget your finances and ask you to spend some time thinking about your financial goals and objectives. The format for the new venture project should be in Powerpoint, Prezi, etc as slides for presentation. I highly urge you to include voice over if possible to enhance the delivery of your new venture. More details on this assignment within the course modules.

Final Exam: (25% of your final grade) You will need to take an open-book, open notes, multiple choice final within the Canvas system (it will appear the same as your weekly quizzes). It is cumulative of all material covered in the course.

Grading policy

Grading Criteria: "A=93% and above, A-=90-92%, B+=88-89%, B=83-87, B-=80-82%, C+=78-79%, C=70-77%, D=69-60%, F=59% and below

I do not accept late work- no exceptions without prior excuse that is documented.

Deadlines and withdrawal policy

Student-initiated withdrawal may occur by 01/28/2022 with nothing recorded in the student transcripts and receive a refund. After that point, a "W" will be recorded on your transcript. Administrative procedure (AP 5075) allows instructors to withdraw students from class for non-participation through the 10th week of class. I will drop you from the course if you miss a quiz, or if you do not participate in and pass the syllabus and canvas informational quiz. You will get one email warning that you have violated the drop policy. And, if you do not respond by continuing to submit assignments in a timely manner as per my discretion, you will be dropped from the course. I am very strict about this policy and there are no exceptions to it. Please contact me with any questions as this is very important information.

Academic dishonesty

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#) (<https://go.boarddocs.com/ca/redwoods/Board.nsf/Public?open&id=policies>)) is available on the College of the Redwoods website. Disruptive behavior

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include, but is not limited to: unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language; slurs or other forms of intimidation; and physically or verbally abusive behavior. In such cases where the instructor determines that a student has disrupted the educational process, a disruptive student may be temporarily removed from class. In addition, the student may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#) (<https://go.boarddocs.com/ca/redwoods/Board.nsf/Public?open&id=policies>)) is available on the College of the Redwoods website.
