|  | Fall 2012   |
|--|---|
| Semester & Year:<br>Course ID and Section Number:  | DT50 (E2147)  |
|  |   |
| Number of Credits/Units:   | 4 (3 hours lecture, 3 hours lab per week)   |
| Recommended Preparation  | None  |
| Prerequisite   | DT23 or ENGR23  |
| Day/Time:  | TTH 2:50 – 5:45   |
| Location:  | AT107   |
| Instructor's Name:   | Steve Brown   |
| Contact Information:   | Office location and hours: AT139 MW 12-1, TTH 1-2   |
|  | Phone: 707-476-4347   |
|  | Email: steve-brown@redwoods.edu   |
| Required Text  |   |
| Required Materials   | 1) Notebook & plastic sleeves to organize portfolio   |
|  | 2) USB File Storage   |
| Course Description (as described   |   |
| -  | modeling and presentation methods used in the design and  |
| <b>e</b> ,   | udy the creation and application of wireframe, surface, solid   |
| •  | ell as design visualization techniques and rapid prototyping  |
| processes.<br>Student Learning Outcomes (as o  |   |
| <ol> <li>Analyze a 3D model in terms of<br/>detection.</li> <li>Develop a 3D model by convert</li> </ol>   | erface, including customization and file management.<br>If form, function, and mass properties, including interference<br>rting 2D data.<br>ate photorealistic renderings of a 3D model.  |
| <ol> <li>Create dimensioned orthograp</li> <li>Define various 3D CAD file form</li> <li>Create physical prototypes of</li> <li>Define terminology associated visualization and prototyping</li> <li>Choose the proper software</li> </ol>  | mats.<br>a design using rapid prototyping.<br>d with the CAD industry and describe the role of design<br>g in the design process.<br>tools to meet a client's needs.  |
| <ol> <li>Create dimensioned orthograp</li> <li>Define various 3D CAD file form</li> <li>Create physical prototypes of</li> <li>Define terminology associate visualization and prototyping</li> <li>Choose the proper software</li> <li>Prepare a professional portform</li> </ol>  | mats.<br>a design using rapid prototyping.<br>ed with the CAD industry and describe the role of design<br>g in the design process.<br>tools to meet a client's needs.<br>plio.  |

**Special accommodations:** College of the Redwoods complies with the Americans with Disabilities Act in making reasonable accommodations for qualified students with disabilities. Please present your written accommodation request at least one week before the first test so that necessary arrangements can be made. No last-minute arrangements or post-test adjustments will be made. If you have a disability or believe you might benefit from disability related services and may need accommodations, please see me or contact Disabled Students Programs and Services. Students may make requests for alternative media by contacting DSPS.

**Academic Misconduct:** Cheating, plagiarism, collusion, abuse of resource materials, computer misuse, fabrication or falsification, multiple submissions, complicity in academic misconduct, and/ or bearing false witness will not be tolerated. Violations will be dealt with according to the procedures and sanctions proscribed by the College of the Redwoods. Students caught plagiarizing or cheating on exams will receive an "F" in the course.

The student code of conduct is available on the College of the Redwoods website at: <u>http://www.redwoods.edu/District/Board/New/Chapter5/Ap5500.pdf</u>

## **Other Important Information:**

- The information in this document is subject to change, with notice, in the event of extenuating circumstances.
- The following items may be found on the MyCR site for this class:
  - ✓ Course calendar (includes assignment information)
  - ✓ Announcements
  - ✓ Online quizzes
  - ✓ Gradebook
  - ✓ Resources such as reading assignments, handouts, and PowerPoints
- It is your responsibility to check MyCR frequently.
- The expectation is that you attend every class, on time, and stay for the duration of the class. If you are absent it is your responsibility to get the missed information from the instructor or another student. Make use of the instructor's office hours to get missed information; there will not likely be time during class for the instructor to go over the missed instruction or assignment.
- In the event of an earthquake, take cover under your computer station and hold on to the desk. Once it is safe to leave the building, go to the nearest safety zone (ours is right behind the AT building). Do not go to towards the cafeteria (high pressure gas line) or to the lower parking lot (tsunami danger).
- NO FOOD OR DRINK AT COMPUTER WORKSTATIONS. SPILLPROOF WATER BOTTLES ARE OK.

College of the Redwoods is committed to equal opportunity in employment, admission to the college, and in the conduct of all of its programs and activities.
