English Department Attendance Policy

Students at the College are expected to attend all sessions of each class in which they are enrolled. For example, if a class meets twice a week, students should not exceed 4 absences for the semester. If a student exceeds the limit on absences before week 11 of the semester, an instructor will notify the student that he or she has been dropped. After that notification, students are still responsible to go

into Web Advisor and withdraw themselves from the class, in order not to receive an F. After week 10, excessive absences will likely result in failure.
