Catalog Description

An English 1A learning community experience that offers students additional support and practice through collaborative and hands-on learning activities facilitated by the instructor of their English 1A class.

Course Student Learning Outcomes (*from course outline of record*)

1. Demonstrate a reflexive understanding of specific course content, ideas, or processes within English that are challenging or confusing and identify methods to strengthen or address those challenging areas.
2. Decode and practice the skills and ways of thinking that lead to success in college reading and writing.
3. Decode and practice the skills and ways of thinking that lead to success within academic/discourse communities.

Evaluation & Grading Policy

Grading is based on participation. Each class session is worth 5 points of participation. You'll receive those points if you attend the full class. If you come more than 10 minutes late or leave more than 10 minutes early, you will receive zero points for that class session.

Do not schedule medical appointments during class as these will not be excused.

Do not schedule yourself for work during class time as this will not be excused.

The only excused absences will be for medical emergencies (with a note from a doctor or the hospital) and away games for CR athletes. Also, notes from the Student Nurse at CR will not suffice to excuse any emergency absence.

For this lab, I use straight point tallies with 90 percent and above as an A; 80 to 89 percent as a B; 70-79 percent as a C; 60-69.5 percent as a D.

Prerequisites/co-requisites/ recommended preparation
