Some General Guidelines for my Classes:

PLEASE BE RESPECTFUL TO YOURSELF AND TO THE CLASS:

--Don't use cell phones in class. Phone use during class is a big distraction. It is also detrimental to your learning. Class time is limited so focus while you're here.

--Please arrive to class on time. Do not come to class more than 15 minute late. Three tardies add up to one absence. Stay to enjoy and learn for the whole class period. Try not to leave and enter the room more than you need to. It can be disruptive to the class.

--If you need to drop this course for any reason, you are responsible for doing so yourself. If you stop attending class and don't drop it, you will receive a grade of "F" at the end of the semester, which can mess up your financial aid as well as your GPA.

--Be tolerant when others express views you don't agree with. It is important to be able to openly exchange ideas. It is essential for learning that classmates feel safe discussing concepts and perspectives. In many cases, we can agree to disagree. The class is fuller when people are able to discuss diverse viewpoints openly.

--Plan your writing assignments with lots of time in advance. Feel free to talk to me about your ideas for topics. Perhaps I can give you suggestions. It is obvious to me when people do their assignments at the last minute; generally they are of lower quality than writing done with plenty of time for revisions.

--Each one of us has an individual way of learning. Please let me know if you have learning differences that I can assist with or help you to accommodate.

--If you are absent and miss assignments and/or information, please first ask a classmate to fill you in on what happened in class. It is a good idea to exchange phone numbers

with a classmate for this reason.

--All late work will be marked down one letter grade for every day after the due date.

--Please drop the class if you miss more than 2 class sessions for any reason. July 1 is the last date to drop this class.

--Enjoy the class and do your best. Learning is fun, and challenging.
