Course Description (catalog description as described in course outline):

MATH-52 Math Lab for Transfer-Level Mathematics (0.5-1.0 units LAB) P/NP only.
A course which offers review of mathematical topics for students enrolled in any transfer-level mathematics course. This lab will provide individualized instruction in a self-paced lab environment. This course is designed to support Math 15/25/30/50A/50B.
Note: *Students should be enrolled in at least one transfer-level mathematics course (Math 15/25/30/50A/50B). Every 1.0 unit of LAB requires 54 hours (45 actual 60-minute hours is equivalent to 54 "classroom" 50-minute hours). Repeatability: Maximum of four enrollments.*

Student Learning Outcomes (as described in course outline) :

Some objectives of things students should be able to do as a result of taking this course are:

1. Use numerical, graphical, symbolic, and verbal representations to solve problems and communicate mathematics.

Special accommodations: College of the Redwoods complies with the Americans with Disabilities Act in making reasonable accommodations for qualified students with disabilities. Please present your written accommodation request at least one week before the first test so that necessary arrangements can be made. No last-minute arrangements or post-test adjustments will be made. If you have a disability or believe you might benefit from disability related services and may need accommodations, please see me or contact Disabled Students Programs and Services. Students may make requests for alternative media by contacting DSPS.

Academic Misconduct: Cheating, plagiarism, collusion, abuse of resource materials, computer misuse, fabrication or falsification, multiple submissions, complicity in academic misconduct, and/ or bearing false witness will not be tolerated. Violations will be dealt with according to the procedures and sanctions proscribed by the College of the Redwoods. Students caught plagiarizing or cheating on exams will receive an "F" in the course.

The student code of conduct is available on the College of the Redwoods website at:
