Syllabus for	MATH 30L – Ma	th Lab for College Algebra – Eureka Campus
Semester & Year	Spring 2017	
Course ID and Section #	* *	25 (1/2 unit) and MATH-30L-E1126 (1.0 unit)
Instructor's Name	Elizabeth (Betsy) Buchanan, Math Lab Coordinator
Day/Time	Students drop in	during Math Lab Open Hours.
	You can see the	current semester Math Lab Hours at the following link:
	http://www.redw	voods.edu/math/Lab
	Closed on CR h	olidays and during Finals Week
Location	Math Lab is located in the Library (LRC) in the Academic Support Center	
	(ASC) on the Eu	reka main campus
Number of Credits/Units	MATH-30L-E11	25 (1/2 unit) and MATH-30L-E1126 (1.0 unit)
	Office location	L101E
Contact Information	Office hours	Mon – Thurs 10:00-3:00
Contact Information	Phone number	(707) 476-4369
	Email address	Betsy-Buchanan@redwoods.edu
	Title & Edition	No additional textbooks are required for Math Lab
Textbook Information	Author	
	ISBN	

Course Description

A course which offers instructional support for students in College Algebra (Math 30), given in a self-paced lab environment. Students receive on-on-one and small group instruction designed to enhance success in Math 30. Note: *Students should be enrolled in Math 30 or similar course.* Every 1.0 unit of LAB requires 54 hours (45 actual 60-minute hours is equivalent to 54 "classroom" 50-minute hours).

Student Learning Outcomes

Students should be able to do as a result of taking this course:

- 1. Use numerical, graphical, symbolic, and verbal representations to solve problems and communicate mathematics.
- 2. Apply knowledge obtained through individualized instruction, calculator or use of software applications to enhance learning in Math 30.

Special Accommodations

College of the Redwoods complies with the Americans with Disabilities Act in making reasonable accommodations for qualified students with disabilities. Please present your written accommodation request at least one week before the first test so that necessary arrangements can be made. No last-minute arrangements or post-test adjustments will be made. If you have a disability or believe you might benefit from disability related services and may need accommodations, please see me or contact <u>Disabled Students Programs and Services</u>. Students may make requests for alternative media by contacting DSPS at 707-476-4280.

Academic Support

Academic support is available at <u>Counseling and Advising</u> and includes academic advising and educational planning, <u>Academic Support Center</u> for tutoring and proctored tests, and <u>Extended</u> <u>Opportunity Programs & Services</u>, for eligible students, with advising, assistance, tutoring, and more.

Academic Honesty

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee.

Syllabus for MATH 30L – Math Lab for College Algebra – Eureka Campus

The Student Code of Conduct (AP 5500) is available on the College of the Redwoods website at: <u>http://www.redwoods.edu/board/Board-Policies/Chapter-5-Student-Services</u>, and scroll to AP 5500. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the college catalog and on the College of the Redwoods website.

Disruptive Classroom Behavior

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include, but is not limited to: unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language; slurs or other forms of intimidation; and physically or verbally abusive behavior. In such cases where the instructor determines that a student has disrupted the educational process a disruptive student may be temporarily removed from class. In addition, he or she may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct (AP 5500) is available on the College of the Redwoods website at:

<u>http://www.redwoods.edu/board/Board-Policies/Chapter-5-Student-Services</u> and scroll to AP 5500. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the college catalog and on the College of the Redwoods website.

Emergency Procedures for the Eureka campus:

Please review the campus evacuation sites, including the closest site to this classroom (posted by the exit of each room). The Eureka **campus emergency map** is available at:

(<u>http://www.redwoods.edu/aboutcr/Eureka-Map</u>; choose the evacuation map option). For more information on Public Safety, go to <u>http://www.redwoods.edu/publicsafety</u>. In an emergency that requires an evacuation of the building:

- Be aware of all marked exits from your area and building.
- Once outside, move to the nearest evacuation point outside your building:
- Keep streets and walkways clear for emergency vehicles and personnel.

• Do not leave campus, unless it has been deemed safe by the Incident Commander or campus authorities. (CR's lower parking lot and Tompkins Hill Rd are within the Tsunami Zone.)

RAVE – College of the Redwoods has implemented an emergency alert system. In the event of an emergency on campus you can receive an alert through your personal email and/or phones at your home, office, and cell. Registration is necessary in order to receive emergency alerts. Please go to https://www.GetRave.com/login/Redwoods and use the "Register" button on the top right portion of the registration page to create an account. During the registration process you can elect to add additional information, such as office phone, home phone, cell phone, and personal email. Please use your CR email address as your primary Registration Email. Your CR email address ends with "redwoods.edu." Please contact Public Safety at 707-476-4112 or security@redwoods.edu if you have any questions.

College of the Redwoods is committed to equal opportunity in employment, admission to the college, and in the conduct of all of its programs and activities.

The Math Lab is located in the ASC (Academic Support Center) on the Eureka main campus. Math Lab Hours for days when regular classes are in session:

You can see the current semester Math Lab Hours at the following link: <u>http://www.redwoods.edu/math/Lab</u>

• CLOSED on CR Holidays, Breaks and during Finals Week

Online Assignment Schedule:

Three online assignments will be assigned through Canvas as follows:

Assignment #1: Assigned sometime during Week 2 of classes (week of Jan 23rd) and will be due by end of Week 5 (Feb 19th)

Assignment #2: Assigned sometime during Week 7 of classes (week of Feb 27th) and will be due by end of Week 10 (Apr 2nd)

Assignment #3: Assigned sometime during Week 12 of classes (week of Apr 10th) and will be due by end of the semester (May 12th)

This syllabus is subject to change.
