

Syllabus for College Algebra– Eureka Campus

Semester & Year	Fall 2017	
Course ID and Section #	Math 30 — E3166	
Instructor’s Name	Brad Morin	
Day/Time	TThF 8:30 - 9:45 am	
Location	LRC 105	
Number of Credits/Units	4	
Contact Information	<i>Office location</i>	Math Lab
	<i>Office hours</i>	Tues 1:00 pm - 2:00 pm Thurs 12:30 pm -1:30 pm
	<i>Phone number</i>	None
	<i>Email address</i>	brad-morin@redwoods.edu
Textbook Information	<i>Title & Edition</i>	Algebra & Trigonometry, 7th Ed
	<i>Author</i>	Michael Sullivan
	<i>ISBN</i>	131430734
<p>Course Description: College level course in algebra for majors in science, technology, engineering, and mathematics; polynomial, rational, radical, exponential, absolute value, and logarithmic functions; systems of equations; theory of polynomial equations; analytic geometry</p>		
<p>Student Learning Outcomes :</p> <ol style="list-style-type: none"> 1. Analyze and investigate functions and equations both graphically and algebraically to include rational, linear, polynomial, radical, absolute value, exponential, and logarithmic. 2. Solve equations, systems of equations, and inequalities containing rational, linear, polynomial, radical, absolute value, exponential, and logarithmic relations. 3. Apply techniques for finding zeros of polynomials and roots of equations. 4. Apply functions and other algebraic techniques to model real world STEM applications. 5. Define a sequence as a function of the natural numbers and apply appropriate formulas to find sums of finite and infinite series. 		

Syllabus for College Algebra– Eureka Campus

Special Accommodations

College of the Redwoods complies with the Americans with Disabilities Act in making reasonable accommodations for qualified students with disabilities. Please present your written accommodation request at least one week before the first test so that necessary arrangements can be made. No last-minute arrangements or post-test adjustments will be made. If you have a disability or believe you might benefit from disability related services and may need accommodations, please see me or contact [Disabled Students Programs and Services](#). Students may make requests for alternative media by contacting DSPS at 707-476-4280.

Academic Support

Academic support is available at [Counseling and Advising](#) and includes academic advising and educational planning, [Academic Support Center](#) for tutoring and proctored tests, and [Extended Opportunity Programs & Services](#), for eligible students, with advising, assistance, tutoring, and more.

Academic Honesty

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct (AP 5500) is available on the College of the Redwoods website at: www.redwoods.edu/district/board/new/chapter5/documents/AP5500StudentConductCodeandDisciplinaryProceduresrev1.pdf Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the college catalog and on the College of the Redwoods website.

Disruptive Classroom Behavior

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include, but is not limited to: unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language; slurs or other forms of intimidation; and physically or verbally abusive behavior. In such cases where the instructor determines that a student has disrupted the educational process a disruptive student may be temporarily removed from class. In addition, he or she may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct (AP 5500) is available on the College of the Redwoods website at: www.redwoods.edu/district/board/new/chapter5/documents/AP5500StudentConductCodeandDisciplinaryProceduresrev1.pdf Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the college catalog and on the College of the Redwoods website.

Syllabus for College Algebra– Eureka Campus

Emergency Procedures for the Eureka campus:

Please review the campus evacuation sites, including the closest site to this classroom (posted by the exit of each room). The Eureka **campus emergency map** is available at: (http://www.redwoods.edu/Eureka/campus-maps/EurekaMap_emergency.pdf). For more information on Public Safety, go to <http://redwoods.edu/safety/> In an emergency that requires an evacuation of the building:

- Be aware of all marked exits from your area and building.
- Once outside, move to the nearest evacuation point outside your building:
- Keep streets and walkways clear for emergency vehicles and personnel.
- Do not leave campus, unless it has been deemed safe by the Incident Commander or campus authorities. (CR's lower parking lot and Tompkins Hill Rd are within the Tsunami Zone.)

RAVE – College of the Redwoods has implemented an emergency alert system. In the event of an emergency on campus you can receive an alert through your personal email and/or phones at your home, office, and cell. Registration is necessary in order to receive emergency alerts. Please go to <https://www.GetRave.com/login/Redwoods> and use the “Register” button on the top right portion of the registration page to create an account. During the registration process you can elect to add additional information, such as office phone, home phone, cell phone, and personal email. Please use your CR email address as your primary Registration Email. Your CR email address ends with “redwoods.edu.” Please contact Public Safety at 707-476-4112 or security@redwoods.edu if you have any questions.

College of the Redwoods is committed to equal opportunity in employment, admission to the college, and in the conduct of all of its programs and activities.

Instructor Availability:

Email: brad-morin@redwoods.edu
Office Hours: (held in the math lab)

Tuesday 1:00 - 2:00
Thursday 12:30 - 1:30

My Math Lab Hours

Tuesday 2:00 - 3:00
Thursday 1:30 - 3:00
Friday 1:00 - 2:30

Textbook: Algebra & Trigonometry, 7th Edition by Sullivan (not 8th or 9th edition).

7th Edition copies can be checked out from the library for the term (there are 42 available).

Four 7th Edition copies are available for two-hour checkout..

Check the following Amazon links if you want a reasonable purchase price for the 7th Edition.

Hardcover 7th Edition

Math Lab: I recommend spending time in the Mathlab <https://www.redwoods.edu/math/Lab>.

MTWTh 10:00 am - 5:50 pm

Friday 10:00 am - 2:30 pm

Course Equipment: TI-84 Calculator. The newest model is TI-84 Plus CE, available for rental.

Bring text, calculator, and homework to class.

Basis for Grade:

25% Daily Quizzes on homework given at the end of class

50% Semester Exams.

25% Final Exam

Quizzes:

Daily quizzes will be either directly from the homework, or similar to a homework problem.

Homework is not turned in. You use your homework in taking the quiz.

Exams:

Exam questions will be directly from, or else quite similar to, the homework.

Makeup Exams and Quizzes:

Makeup work will not provide a shortcut to getting an acceptable grade.

Makeup work will be demanding — an option to be used as a last resort.

Grading:

A 93% - 100% A- 90% - 92%

B+ 87% - 89% B 83% - 86% B- 80% - 82%

C+ 77% - 79% C 70% - 76%

D 60% - 69%

GUID 145

Placement: Make certain this course is appropriate for your skills and experience.

Modifications and additions to this syllabus will be necessary.

The dates given below are the days the sections are covered in class. The **suggested homework** could be started on that day in preparation for the quiz the next day of class. The quiz is one point, all or nothing. During the quiz, you will usually need access to your completed homework.

Date	Sec	Always bring completed problems to class.	*Asterisk Problems are potential extra credit questions on an exam.
