

Syllabus for Math 25 (Trigonometry) – Eureka Campus

Semester & Year	Summer 2019	
Course ID and Section #	Math 25 — E8772	
Instructor's Name	Brad Morin	
Day/Time	MTWTh 1:00 pm - 2:05 pm	
Location	SC 206	
Number of Credits/Units	4	
Contact Information	<i>Office location</i>	Math Lab
	<i>Office hours</i>	Math Lab Hours: MW 9:00 am - 12:30 pm TTh 10:30 am - 12:30 pm
	<i>Phone number</i>	None
	<i>Email address</i>	brad-morin@redwoods.edu
Textbook Information	<i>Title & Edition</i>	Algebra & Trigonometry, 7th Ed
	<i>Author</i>	Michael Sullivan
	<i>ISBN</i>	131430734
Course Description		
<p>A study of trigonometric functions, radian measure, solution of right triangles, graphs of the trigonometric functions, inverse trigonometric functions, trigonometric identities and equations, laws of sines and cosines, solution of oblique triangles, polar coordinates, complex numbers in trigonometric form, De Moivre's theorem, and conic sections.</p>		
Student Learning Outcomes		
<ol style="list-style-type: none"> 1. Analyze and solve problems involving trigonometric functions or analytic geometry. 2. Apply the mathematics of trigonometric functions and analytic geometry to real-world problems and applications. 3. Use graphing technology to visualize trigonometric and polar curves, explore mathematical concepts, and verify results. 4. Write solutions to mathematical exercises in trigonometry and analytic geometry using sound mathematical reasoning with appropriate use of numerical, graphical, and symbolic representations. 		

Syllabus for Math 25 (Trigonometry) – Eureka Campus

Special Accommodations

College of the Redwoods complies with the Americans with Disabilities Act in making reasonable accommodations for qualified students with disabilities. Please present your written accommodation request at least one week before the first test so that necessary arrangements can be made. No last-minute arrangements or post-test adjustments will be made. If you have a disability or believe you might benefit from disability related services and may need accommodations, please see me or contact [Disabled Students Programs and Services](#). Students may make requests for alternative media by contacting DSPS at 707-476-4280.

Academic Support

Academic support is available at [Counseling and Advising](#) and includes academic advising and educational planning, [Academic Support Center](#) for tutoring and proctored tests, and [Extended Opportunity Programs & Services](#), for eligible students, with advising, assistance, tutoring, and more.

Academic Honesty

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct (AP 5500) is available on the College of the Redwoods website at: <http://www.redwoods.edu/board/Board-Policies/Chapter-5-Student-Services>, and scroll to AP 5500. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the college catalog and on the College of the Redwoods website.

Syllabus for Math 25 (Trigonometry) – Eureka Campus

Disruptive Classroom Behavior

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include, but is not limited to: unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language; slurs or other forms of intimidation; and physically or verbally abusive behavior. In such cases where the instructor determines that a student has disrupted the educational process a disruptive student may be temporarily removed from class. In addition, he or she may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct (AP 5500) is available on the College of the Redwoods website at: <http://www.redwoods.edu/board/Board-Policies/Chapter-5-Student-Services> and scroll to AP 5500.

Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the college catalog and on the College of the Redwoods website.

Emergency Procedures for the Eureka campus:

Please review the campus evacuation sites, including the closest site to this classroom (posted by the exit of each room). The Eureka **campus emergency map** is available at: (<http://www.redwoods.edu/aboutcr/Eureka-Map>; choose the evacuation map option). For more information on Public Safety, go to <http://www.redwoods.edu/publicsafety>. In an emergency that requires an evacuation of the building:

- Be aware of all marked exits from your area and building.
- Once outside, move to the nearest evacuation point outside your building:
- Keep streets and walkways clear for emergency vehicles and personnel.
- Do not leave campus, unless it has been deemed safe by the Incident Commander or campus authorities. (CR's lower parking lot and Tompkins Hill Rd are within the Tsunami Zone.)

RAVE – College of the Redwoods has implemented an emergency alert system. In the event of an emergency on campus you can receive an alert through your personal email and/or phones at your home, office, and cell. Registration is necessary in order to receive emergency alerts. Please go to <https://www.GetRave.com/login/Redwoods> and use the “Register” button on the top right portion of the registration page to create an account. During the registration process you can elect to add additional information, such as office phone, home phone, cell phone, and personal email. Please use your CR email address as your primary Registration Email. Your CR email address ends with “redwoods.edu.” Please contact Public Safety at 707-476-4112 or security@redwoods.edu if you have any questions.

College of the Redwoods is committed to equal opportunity in employment, admission to the college, and in the conduct of all of its programs and activities.

Welcome to Math 25 E8772(048772)—Trigonometry—Summer 2019
Preliminary Abridged Syllabus
MTWTh 1:00 - 3:05 SC206
June 3 — 1st Day of Class
July 25 — Final Exam

Instructor: Brad Morin

Instructor Availability:

Email: brad-morin@redwoods.edu
My availability in the Math Lab is:
MW 9:00 - 12:30
TTh 10:30 - 12:30

Math Lab: I recommend spending time in the lab, working with other students and with me. Hours are:
MW 9:00 am - 2:30 pm
TTh 10:30 am - 2:30 pm
Signing up for Math 252 is an option that cost you nothing, with no assignments or credit.
Signing up for Math 25L is the option for earning credit with additional assignments and tuition.
For Math Lab information — <https://www.redwoods.edu/math/Lab> (somewhat dated).

Textbook: Algebra & Trigonometry, 7th Edition by Sullivan (not 8th or 9th edition).
7th Edition copies can be checked out from the library for the term.
Four 7th Edition copies are available for two-hour checkout.
Check the following Amazon links for a very reasonable purchase price for the 7th Edition.
[Hardcover 7th Edition](#)

Course Equipment: TI-84 Calculator. The newest model is [TI-84 Plus CE](#), available [for rental](#).
Bring text, calculator, and homework on lecture days -- calculator on exam days. If you wish to use a TI-84 emulator on your smart phone, that will work. On exam days I will bring extra calculators because phones won't be allowed.

Basis for Grade:

25% Daily Quizzes on homework given at the end of class
50% Semester Exams.
25% Final Exam

Homework & Quizzes:

Daily quizzes will be either directly from the homework, or similar to a homework problem.
Homework is not turned in. You use your homework in taking the daily quiz.
Time required for homework will average four hours outside of class for each two-hour class.

Exams:

Exam questions will be directly from, or else quite similar to, the homework.

Makeup Exams and Quizzes:

Makeup work will not provide a shortcut for getting a good grade.
Makeup work will be demanding but interesting, profoundly developing math skills and insights.

Grading:

A 93% - 100% A- 90% - 92%
B+ 87% - 89% B 83% - 86% B- 80% - 82%
C+ 77% - 79% C 70% - 76%
D 60% - 69%
F Below 60%

Learning Resources:
