Catalog Description

A course offering instructional support to students needing help in mathematics in a self-paced lab environment. This course supports basic skills mathematics and mathematics-related classes. Students receive one-on-one and small group instruction to enhance success in mathematics across the curriculum.

Course Student Learning Outcomes *(from course outline of record)*

1. Analyze problems in mathematics or mathematics-related courses
2. Apply strategies to plan and complete assignments on time.

Evaluation & Grading Policy

MATH-252 is a NON-CREDIT course. This is a non-credit option for getting Math help. No minimum hours are required. This is an open-entry course, where students can add this course up to the day before the last day of instruction. This course is repeatable.

Prerequisites/co-requisites/ recommended preparation

Students can be co-enrolled in a mathematics course or any course with math content.

Special accommodations statement

College of the Redwoods complies with the Americans with Disabilities Act in making reasonable accommodations for qualified students with disabilities. Please present your written accommodation request at least one week before the first test so that necessary arrangements can be made. No last-minute arrangements or post-test adjustments will be

1

made. If you have a disability or believe you might benefit from disability-related services and accommodations, please contact [Disability Services and Programs for Students](#). Students may make requests for alternative media by contacting DSPPS based on their campus location:

- Eureka: 707-476-4280, student services building, 1st floor
