

## Course Information

Semester & Year: Fall 2020

Course ID & Section #: MATH-15-E9925

Instructor's name: Paige MacDonald

Course units: 4.0

Required Textbook: *Introductory Statistics* by Barbara Illowsky & Susan Dean; ISBN-10: 1938168208.

This book is available online (for free!) at <https://openstax.org/details/books/introductory-statistics>. At this link, you may "View Online", "Download a pdf", or purchase a hard copy for about \$30. It is not required to have a physical textbook, but if you learn better that way, I recommend it.

### Other Requirements:

- TI-83 or TI-84 Graphing Calculator (TI-84 recommended), high-speed internet, home computer or laptop.
  - Click [here](#) for information on renting a calculator for the semester.
- High-speed Internet, home computer, or laptop.
- Smartphone, digital camera, or other device capable of taking photos and converting them to a pdf.
- MyOpenMath account (free). See the [Online Homework](#) section of this document for information on setting up an account.

## Instructor Contact Information

Office location: Online via Zoom

Office hours: Mon 8-9pm, Wed 1-2pm

Email address: [paige-macdonald@redwoods.edu](mailto:paige-macdonald@redwoods.edu)

## Catalog Description

An introduction to basic concepts of descriptive and inferential statistics, with emphasis on the meaning and use of statistical significance. Students will use probability techniques to make decisions via hypothesis testing and will estimate parameters using confidence intervals. The course includes applications from a variety of technical and social science fields. Note: A TI-83 or TI-84 graphing calculator is required. The MATH-15S support course is strongly recommended to take concurrently for students without previous mathematical experience in courses such as Algebra II or Pathway to Statistics.

## Course Student Learning Outcomes

1. Accurately communicate statistical ideas using correct statistical notation, graphs, and vocabulary.
2. Use descriptive and inferential statistics to better understand real-world problems.
3. Demonstrate appropriate use of technology in making decisions based upon real-world data.
4. Read and interpret information that contains statistical analysis and be able to communicate these results.
5. Judge the validity of research reported in the mass media and peer reviewed journals.

## Accessibility

Students will have access to online course materials that comply with the Americans with Disabilities Act of 1990 (ADA), Section 508 of the Rehabilitation Act of 1973, and College of the Redwoods policies. Students who discover access issues with this class should contact the instructor.

College of the Redwoods is also committed to making reasonable accommodations for qualified students with disabilities. If you have a disability or believe you might benefit from disability-related services and accommodations,

please contact your instructor or [Disability Services and Programs for Students](#) (DSPS). Students may make requests for alternative media by contacting DSPS based on their campus location:

- Eureka: 707-476-4280, student services building, 1<sup>st</sup> floor
- Del Norte: 707-465-2324, main building near library
- Klamath-Trinity: 530-625-4821 Ext 103

During COVID-19, approved accommodations for distance education classes will be emailed to the instructor by DSPS. In the case of face to face instruction, please present your written accommodation request to your instructor at least one week before the first test so that necessary arrangements can be made. Last-minute arrangements or post-test adjustments cannot usually be accommodated.

## Support for online learners during COVID-19

In response to COVID-19, College of the Redwoods moved the majority of its courses online to protect health and safety. As the faculty and students adjust to this change, clear communication about student needs will help everyone be successful. Please let me know about any specific challenges or technology limitations that might affect your participation in class. I want every student to thrive.

### Written Homework

Written homework will be assigned weekly and must be neatly handwritten, scanned, and uploaded as a pdf file on Canvas. Written homework will be due on Wednesdays by 11:59pm. Your 2 lowest written homework scores will be dropped. No late homework will be accepted.

### Online Homework

Online homework will be assigned weekly and must be completed on MyOpenMath. Online homework will be due on Sundays by 11:59pm. Your 2 lowest online homework scores will be dropped.

You will need *Register as a New Student* at <https://www.myopenmath.com/index.php>.

Course ID: 78784

There is no Enrollment Key, so leave this box empty.

**IMPORTANT:** *You must use the exact first and last name listed in Canvas.*

No late homework will be accepted.

You will have 3 tries to get a version of a question correct, after which you will receive a new version. You will have unlimited attempts to get a question correct.

### Discussions

There will be weekly Discussions on Canvas. You must respond to the original post by 11:59pm on Wednesday and reply to at least 2 other students' posts by 11:59pm Sunday. Your 2 lowest discussion scores will be dropped.

### Quizzes

There will be four quizzes during the semester. Your lowest quiz score will be dropped (so only your 3 best quiz scores will count towards your grade).

### Midterm Exam

Your midterm exam will be a take-home exam that will be due the week of 10/19\*. You will have at least 1 week to complete the exam. Solutions will be handwritten, and then scanned and uploaded on Canvas as a pdf file.

*\*This is a tentative date only and is subject to change. I will let you know well in advance if I need to change the week of the midterm exam.*

### Final Exam

Your final exam will be during the week of Dec 14. It will be available on Canvas during finals week. Once you start the exam, you will have a certain amount of time to complete it. ALL EXAMS MUST BE COMPLETE BY 5PM FRIDAY, DECEMBER 18-NO EXCEPTIONS!!!

You must get at least 50% on the final exam to pass this class, regardless of your other grades.

## Admissions deadlines & enrollment policies

Students who have experienced extenuating circumstances can complete & submit the **Excused Withdrawal Petition** to request an Excused Withdrawal (EW) grade instead of the current Withdrawal (W) or non-passing (D, F & NP) grades. The EW Petition is available from the Admissions and Records Forms Webpage. Supporting documentation is required.

## Instructor-initiated drops

It is the policy of the College of the Redwoods Math Department to exercise a "Faculty Withdrawal" for any student who has missed more than 15% of the class (prior to the drop deadline), due to the severely diminished likelihood of a successful outcome in the course.

*IMPORTANT!!! If you fail to participate in the course in the first week OR you fail to participate in more than 2 weeks before the Oct 30 drop deadline, you will be dropped from the course. This means that for more than two weeks, you do not turn in any homework and do not participate in the discussions. I will reach out to you via your CR email before dropping you.*

It is important to note that, if it is the student's intention to withdraw from the course, the responsibility remains with the student to ensure the proper paperwork has been filed – that is, students are not to assume the teacher will file the "Withdrawal" automatically.

### **Academic dishonesty**

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the [College Catalog](#) and on the [College of the Redwoods website](#).

### **Disruptive behavior**

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include, but is not limited to: unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language; slurs or other forms of intimidation; and physically or verbally abusive behavior. In such cases where the instructor determines that a student has disrupted the educational process, a disruptive student may be temporarily removed from class. In addition, the student may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the [College Catalog](#) and on the [College of the Redwoods website](#).

### **Inclusive Language in the Classroom**

College of the Redwoods aspires to create a learning environment in which all people feel comfortable in contributing their perspectives to classroom discussions. It therefore encourages instructors and students to use language that is inclusive and respectful.

### **Setting Your Preferred Name in Canvas**

Students have the ability to have an alternate first name and pronouns to appear in Canvas. Contact [Admissions & Records](#) to request a change to your preferred first name and pronoun. Your Preferred Name will only be listed in Canvas. It does not change your legal name in our records. See the [Student Information Update form](#).

### **Canvas Information**

If using Canvas, include navigation instructions, tech support information, what Canvas is used for, and your expectation for how regularly students should check Canvas for your class.

## Emergency procedures / Everbridge

College of the Redwoods has implemented an emergency alert system called Everbridge. In the event of an emergency on campus you will receive an alert through your personal email and/or phones. Registration is not necessary in order to receive emergency alerts. Check to make sure your contact information is up-to-date by logging into WebAdvisor <https://webadvisor.redwoods.edu> and selecting 'Students' then 'Academic Profile' then 'Current Information Update.'

Please contact Public Safety at 707-476-4112 or [security@redwoods.edu](mailto:security@redwoods.edu) if you have any questions. For more information see the [Redwoods Public Safety Page](#).

In an emergency that requires an evacuation of the building anywhere in the District:

- Be aware of all marked exits from your area and building
- Once outside, move to the nearest evacuation point outside your building
- Keep streets and walkways clear for emergency vehicles and personnel

Do not leave campus, unless it has been deemed safe by the campus authorities.
