Catalog Description

Math 5 is an introduction to mathematics for students not pursuing science, business, and math majors. Surveys selected topics with a focus on history, utility, and artistry to promote appreciation and critical understanding of the foundational importance of mathematics to contemporary society.

Course Student Learning Outcomes

1. Demonstrate critical thinking skills through analyzing mathematical ideas in the context of contemporary society.
2. Use mathematical skills and techniques when arguing a position on a contemporary issue.

Prerequisites/co-requisites/ recommended preparation

None

Requirements for the Class

1. Access to a computer/tablet/phone capable of watching web-based video, creating and submitting pdf files to Canvas, and doing statistical computations.
2. Access to internet fast enough to watch web-based video at least at 480p resolution.
3. Paper and pencil or a tablet to write homework, tests and quizzes.
4. Either a phone with a high-resolution camera (4 megapixel or more), or a scanner, or another way (e.g. an iPad with Apple Pencil, a Surface Pro with Surface Pen) to make digital versions of homework, tests, and quizzes.

Evaluation & Grading Policy

Your grade in this course will be evaluated in 4 ways:

1. **Homework (50%)** – Each week or two, you will be assigned a homework assignment on Canvas. Some will be written homework assignments that you must write down your answers and upload a copy to Canvas. Others will be assignments using an online homework system. These are provided by MyOpenMath and will be automatically graded by that homework system. You will have unlimited attempts to get the answer correct.
2. **Quizzes (25%)** - For unit, we will have a quiz. You will be able to use any notes that you have for the class on these quizzes. You will have to upload the answers to Canvas.
3. **Paper (10%)** – You will have one short paper to write in the class. It will be on a mathematical topic of your choosing. See the assignment itself on Canvas for more details.
4. **Final (15%)** – You will have a final cumulative exam that will be issued at the beginning of finals week and will be due at the end of finals week.

Grades breakdown in the traditional manner:

90%-100%	A
80%-89.999%	B
70%-79.999%	C
60%-69.999%	D
0%-59.999%	F

No late homework, tests, or quizzes will be accepted without prior approval.

Accessibility

College of the Redwoods is committed to making reasonable accommodations for qualified students with disabilities. If you have a disability or believe you might benefit from disability-related services and accommodations, please contact your instructor or [Disability Services and Programs for Students \(DSPS\)](#). Students may make requests for alternative media by contacting DSPS based on their campus location:

- Eureka: 707-476-4280, student services building, 1st floor
- Del Norte: 707-465-2324, main building near library
- Klamath-Trinity: 530-625-4821 Ext 103

If you are taking online classes DSPS will email approved accommodations for distance education classes to your instructor. In the case of face-to-face instruction, please present your written accommodation request to your instructor at least one week before the needed accommodation so that necessary arrangements can be made. Last minute arrangements or post-test adjustments usually cannot be accommodated.

Student Support

Good information and clear communication about your needs will help you be successful. Please let your instructor know about any specific challenges or technology limitations that might affect your participation in class. College of the Redwoods wants every student to be successful.

Academic dishonesty

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the [College Catalog](#) and on the [College of the Redwoods website](#).

Disruptive behavior

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include, but is not limited to: unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language; slurs or other forms of intimidation; and physically or verbally abusive behavior. In such cases where the instructor determines that a student has disrupted the educational process, a disruptive student may be temporarily removed from class. In addition, the student may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the [College Catalog](#) and on the [College of the Redwoods website](#).

Inclusive Language in the Classroom

College of the Redwoods aspires to create a learning environment in which all people feel comfortable in contributing their perspectives to classroom discussions. It therefore encourages instructors and students to use language that is inclusive and respectful.

Setting Your Preferred Name in Canvas

Students have the ability to have an alternate first name and pronouns to appear in Canvas. Contact [Admissions & Records](#) to request a change to your preferred first name and pronoun. Your Preferred Name will only be listed in Canvas. This does not change your legal name in our records. See the [Student Information Update form](#).

Canvas Information

If using Canvas, include navigation instructions, tech support information, what Canvas is used for, and your expectation for how regularly students should check Canvas for your class.
