Catalog Description

A study of limits, continuity, and derivatives of algebraic, transcendental, and trigonometric functions. Applications of the derivative include optimization, related rates, examples from the natural and social sciences, and graphing of functions. The course introduces the integral and the connection between the integral and derivative.

Course Student Learning Outcomes

- 1) Evaluate limits and use the results to interpret information about functions.
- 2) Use differentiation to compute derivatives and to solve relevant applications.
- 3) Create and interpret the graphs of functions using methods of calculus.
- 4) Apply the Fundamental Theorem of Calculus and interpret results.

Evaluation & Grading Policy

Your final grade will be determined as follows:

Online Homework:	35 %
Written Homework:	35 %

Accessibility

College of the Redwoods is committed to making reasonable accommodations for qualified students with disabilities. If you have a disability or believe you might benefit from disability-related services and accommodations, please contact your instructor or [Disability Services and Programs for Students](#) (DSPS). Students may make requests for

alternative media by contacting DSPS based on their campus location:

- Eureka: 707-476-4280, student services building, 1st floor
- Del Norte: 707-465-2324, main building near library
- Klamath-Trinity: 530-625-4821 Ext 103

If you are taking online classes, DSPS will email approved accommodations for distance education classes to your instructor. In the case of face-to-face instruction, please present your written accommodation request to your instructor at least one week before the needed accommodation so that necessary arrangements can be made. Last minute arrangements or post-test adjustments usually cannot be accommodated.

Materials

Required Text: Calculus – Volume 1, OpenStax

<https://openstax.org/details/books/calculus-volume-1>

- Free PDF download available
- Free online access
- Available for purchase if you want a personal copy

Time: It is critical to your success in this course that you **spend AT LEAST 8 hours per week outside of class engaging this course.** You should budget this time requirement into your weekly student schedule.

Recommended

1. Library's tutoring services: <https://redwoods.libguides.com/Tutoring>
2. I strongly recommend forming study groups to work on homework & prepare for exams.

Scanner

You will be required to convert written work into a PDF file that will be uploaded into Canvas assignments. You may use a Printer/Copier/Scanner or, if you do not have access to one, a phone app will work fine. Below is a link to some free Android and iPhone iOS pdf phone scanner apps: <https://pdf.wondershare.com/mobile-app/free-pdf-scanner-app.html>

Classroom Environment

It is essential to our class that both students and teacher behave in a manner that will provide a comfortable learning atmosphere. Be respectful of one another. We are all adults, and an open, comfortable environment is crucial for learning. Therefore, you should not hesitate to ask any questions, feel embarrassed to ask any question, or seek help. **Turn cell phones to vibrate before entering the classroom as you are not allowed to text or play on your phone during class.**

Written Homework (35% of the course grade)

There will be 8 written homework assignments throughout the semester. These assignments will be available on Canvas. You can access these assignments many ways:

1. Click on the assignment from the weekly course schedule that is our Canvas homepage.
2. Navigate to the weekly module for that week.
3. Click the “Assignments” link on the left-hand side of the course home page, click on “Sort by Type”, and search for the assignment.
4. Click on the “Syllabus” link and search for the assignment.
5. Click on the Calendar and search for the assignment.
6. Look on the “Weekly Course Schedule” available for download from the “Syllabus” link.

Written homework assignments must be uploaded into the Canvas assignment by the due date and time. I do not accept late homework; however, if you notify me **PRIOR** to the assignment due date we may be able to work out alternate arrangements. **I will drop the single lowest written homework score when calculating final grades.**

Online Homework (35% of the Course Grade)

Each section will have an online homework assignment. The assignments will be post on MyOpenMath: <https://www.myopenmath.com/index.php>

All **MyOpenMath (MOM)** assignments will open the day we cover material in class and will remain open for 3 days. You can attempt each question as many times as you like while the assignment is open. Once you get a question correct, it will be locked in as correct. Each assignment will be open in “Practice Mode” after its due date to allow for extra practice. Due dates are clearly marked on the MOM calendar, in the MOM

assignment itself, in Canvas, and on the “Weekly Due Dates” document. **You will have 10 Late Passes that will extend an assignment due date by 3 days.**

If you already have a MyOpenMath (MOM) account:

- Sign into your account.
- Select “Enroll in a New Class” & enter in the Course ID: **172848**
- Enrollment Key: **(Leave this blank!)**

If you are new to MyOpenMath (MOM):

- Click “Register as New Student” below the login button.
- Follow the directions to create your account.
- **Enter your name as it appears in Canvas.**
- On the bottom, enter in the Course ID: **172848**
- Enrollment Key: **(Leave this blank!)**

Exams (25% of the Course Grade)

There will be 4 semester exams & a cumulative final exam. The exams will be administered in Canvas. **Each exam will be available for 3 hours during which time you may work on it as much as you want.** When you are finished, you will upload a PDF of your work into Canvas. You can only make up an exam if you notify me **PRIOR** to the exam being given and have a compelling reason why you could not get the exam completed within the 24-hour window.

The Final Exam is cumulative following the same guidelines as the other semester exams.

Final Exam: Wednesday, May 10th in Canvas

This is the only day you can take the final exam. Please make any travel plans accordingly.

Pre-Class Quizzes (5% of the Course Grade)

It is extremely important for students to come to class prepared to engage the material we will investigate that day. Prior to each class, there will be a short quiz covering the material that will be investigated that day. You will have 3 attempts at each quiz.

Academic dishonesty

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the [College Catalog](#) and on the [College of the Redwoods website](#).

Disruptive behavior

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include, but is not limited to: unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language; slurs or other forms of intimidation; and physically or verbally abusive behavior. In such cases where the instructor determines that a student has disrupted the educational process, a disruptive student may be temporarily removed from class. In addition, the student may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website. Additional information about the

rights and responsibilities of students, Board policies, and administrative procedures is located in the [College Catalog](#) and on the [College of the Redwoods website](#).

Inclusive Language in the Classroom

College of the Redwoods aspires to create a learning environment in which all people feel comfortable in contributing their perspectives to classroom discussions. It therefore encourages instructors and students to use language that is inclusive and respectful.

Setting Your Preferred Name in Canvas

Students can have an alternate first name and pronouns to appear in Canvas. Contact [Admissions & Records](#) to request a change to your preferred first name and pronoun. Your Preferred Name will only be listed in Canvas. This does not change your legal name in our records. See the [Student Information Update form](#) (very bottom of the linked page.)

Canvas Information

If using Canvas, include navigation instructions, tech support information, what Canvas is used for, and your expectation for how regularly students should check Canvas for your class.

Emergency procedures / Everbridge

College of the Redwoods has implemented an emergency alert system called Everbridge. In the event of an emergency on campus you will receive an alert through your personal email and/or phones. Registration is not necessary to receive emergency alerts. Check to make sure your contact information is up to date by logging into WebAdvisor <https://webadvisor.redwoods.edu> and selecting 'Students' then 'Academic Profile' then 'Current Information Update.'

Please contact Public Safety at 707-476-4112 or security@redwoods.edu if you have any questions. For more information see the [Redwoods Public Safety Page](#).

In an emergency that requires an evacuation of the building anywhere in the District:

- Be aware of all marked exits from your area and building
- Once outside, move to the nearest evacuation point outside your building
- Keep streets and walkways clear for emergency vehicles and personnel

Do not leave campus unless it has been deemed safe by the campus authorities.

Eureka Campus Emergency Procedures

Please review the [campus emergency map](#) for evacuation sites, including the closest site to this classroom (posted by the exit of each room). For more information on Public Safety go to the [Redwoods Public Safety Page](#) It is the responsibility of College of the Redwoods to protect life and property from the effects of emergencies within its own jurisdiction.

In the event of an emergency:

1. Evaluate the impact the emergency has on your activity/operation and take appropriate action.
2. Dial 911, to notify local agency support such as law enforcement or fire services.
3. Notify Public Safety 707-476-4111 and inform them of the situation, with as much relevant information as possible.
4. Public Safety shall relay threat information, warnings, and alerts through the Everbridge emergency alert system, Public address system, and when possible, updates on the college website, to ensure the school community is notified.
5. Follow established procedures for the specific emergency as outlined in the College of the Redwoods Emergency Procedure Booklet, (evacuation to a safe zone, shelter in place, lockdown, assist others if possible, cooperate with First Responders, etc.).
6. If safe to do so, notify key administrators, departments, and personnel.
7. Do not leave campus unless it is necessary to preserve life and/or has been deemed safe by the person in command.
