A support course for Math 15, "Introduction to Statistics." Through hands-on activities and group work, students learn skills and explore concepts crucial for success in transfer-level statistics.

## **Course Student Learning Outcomes**

Apply numerical and algebraic techniques to understand and evaluate statistical formulas.

- 1. Interpret graphs and represent data graphically to support statistical arguments.
- 2. Implement effective learning strategies.

## Prerequisites/co-requisites/ recommended preparation

Co-requisite: Math 15

### **Accessibility**

College of the Redwoods is committed to making reasonable accommodations for qualified students with disabilities. If you have a disability or believe you might benefit from disability-related services and accommodations, please contact your instructor or <u>Disability Services and Programs for Students</u> (DSPS). Students may make requests for alternative media by contacting DSPS based on their campus location:

- Eureka: 707-476-4280, student services building, 1st floor
- Del Norte: 707-465-2324, main building near library
- Klamath-Trinity: 530-625-4821 Ext 103

During COVID19—DSPS will email approved accommodations for distance education classes to your instructor. In the case of face-to-face instruction, please present your written accommodation request to your instructor at least one week before the needed

accommodation so that necessary arrangements can be made. Last minute arrangements or post-test adjustments usually cannot be accommodated.
