

Course Information

Semester & Year:	Spring 2024
Course ID & Section #:	Math-15S-E6054
Instructor's name:	Mr. Jon Pace
Day/Time of required meetings:	Math-15S T TH 1:55 – 3:20 pm
Location:	SC 202
Number of proctored exams:	No Proctored Exams
Course units:	4 units

Instructor Contact Information

Office location:	SC 216-J
Email address:	jonathan-pace@redwoods.edu
Office phone:	(707) 476-4222
Preferred Contact Modality:	Please contact me through Canvas

Office Hours

Monday & Wednesday 1:15 – 2:15 in SC 216-J or via Zoom
Tuesday & Thursday 3:30 – 4:30 in SC 216-J or via Zoom

You can find the Office Hours Zoom information, including the Zoom meeting link with the meeting ID and passcode, by clicking on the **Announcements** link on the left-hand side of our Canvas course site. Navigate to the **Office Hours** announcement.

Catalog Description

A support course for Math 15, "Introduction to Statistics." Through hands-on activities and group work, students learn skills and explore concepts crucial for success in transfer-level statistics.

Course Student Learning Outcomes

1. Engage productively in real-time interactive collaboration (small group and whole group) through conversation and application to explore statistical concepts.
2. Apply numerical and algebraic techniques to understand and evaluate statistical formulas.
3. Implement effective learning strategies for academic and affective domain challenges.

Prerequisites/co-requisites/ recommended preparation

MATH-15-E6046 – Introduction to Statistics SC202 T TH 11:40am – 1:45pm

Required Texts

Required Test: Introductory Statistics, OpenStax

- Free PDF download available
- Free online access
- Available for purchase if you want a personal copy

Evaluation & Grading Policy

Your final grade will be determined as follows:

In-class activities 100%

The grade breakdown is as follows:

Pass 70 – 100%

No Pass 0 – 69.99%

“Faculty Withdrawal” of Students after Census Day

It is the policy of the College of the Redwoods Math Department to exercise a "Faculty Withdrawal" for any student who has missed more than 15% of the class meetings (prior to the drop deadline), due to the severely diminished likelihood of a successful outcome in Math 15. This means that you can miss the equivalent of 6 classes. **Upon your 7th absence you will be dropped from both Math 15 and Math 15S.**

Note: This syllabus is subject to change. I will notify you in class and via Canvas should this become necessary.
