### Course Description

A course focusing on the scientific study of behavior and mental processes. The content of the course focuses on the exploration of major theories and concepts, methods, and research findings in psychology. Topics include biological foundations, perception, learning, cognition, emotion, motivation, development, personality, social psychology, psychological disorders and therapies, and applied psychology. This course is transferable to four-year colleges and is a prerequisite for most upper division psychology courses.

### Student Learning Outcomes

1. Explain concepts in areas of psychological theory and research while representing the context of historical trends in psychology.
2. Recognize the impact of diversity on psychological research, including: Age, race, ethnicity, culture, gender, socio-economic status, disability, and sexual orientation.
3. Demonstrate critical thinking skills and information competence as applied to psychological topics.
4. Analyze how experience, culture, learning and biology affect behavior and cognitive processes.

### Special Accommodations

College of the Redwoods complies with the Americans with Disabilities Act in making reasonable accommodations for qualified students with disabilities. Please present your written accommodation request at least one week before the first test so that necessary arrangements can be made. No last-minute arrangements or post-test adjustments will be made. If you have a disability or believe you might benefit from disability related services and may need accommodations, please see me or contact [Disabled Students Programs and Services](#). Students may make requests for alternative media by contacting DSPS at 707.476.4280.

## Syllabus for PSYCH 1 – Eureka Campus

### Academic Support

Academic support is available at [Counseling and Advising](#) and includes academic advising and educational planning, [Academic Support Center](#) for tutoring and proctored tests, and [Extended Opportunity Programs & Services](#), for eligible students, with advising, assistance, and tutoring.

---

### Academic Honesty

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. [The Student Code of Conduct \(AP 5500\)](#) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the college catalog and on the College of the Redwoods website.

---

### Disruptive Classroom Behavior

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include, but is not limited to: unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language; slurs or other forms of intimidation; and physically or verbally abusive behavior. In such cases where the instructor determines that a student has disrupted the educational process a disruptive student may be temporarily removed from class. In addition, he or she may be reported to the Chief Student Services Officer or designee. [The Student Code of Conduct \(AP 5500\)](#) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the college catalog and on the College of the Redwoods website.

## Syllabus for PSYCH 1 – Eureka Campus

### Emergency Procedures for the Eureka campus:

Please review the campus evacuation sites, including the closest site to this classroom (posted by the exit of each room). The Eureka campus [emergency map](#) is available on the College of the Redwoods website. For more information visit the [Public Safety website](#). In an emergency that requires an evacuation of the building:

- Be aware of all marked exits from your area and building.
- Once outside, move to the nearest evacuation point outside your building:
- Keep streets and walkways clear for emergency vehicles and personnel.
- Do not leave campus, unless it has been deemed safe by the Incident Commander or campus authorities. (CR's lower parking lot and Tompkins Hill Rd are within the Tsunami Zone.)

### RAVE

College of the Redwoods has implemented an emergency alert system. In the event of an emergency on campus you can receive an alert through your personal email and/or phones at your home, office, and cell. Registration is necessary in order to receive emergency alerts.

Please go to <https://www.GetRave.com/login/Redwoods> and use the “Register” button on the top right portion of the registration page to create an account. During the registration process you can elect to add additional information, such as office phone, home phone, cell phone, and personal email. Please use your CR email address as your primary Registration Email. Your CR email address ends with “redwoods.edu.” Please contact Public Safety at 707.476.4112 or [security@redwoods.edu](mailto:security@redwoods.edu) if you have any questions.

# GENERAL PSYCHOLOGY

PSYCH 1, *Fall 2016*

<b>Instructor:</b>	Kevin Matlock, M.A.	<b>Lecture:</b>	TTH, 11:40 AM – 1:05 PM in HU 114
<b>Phone:</b>	707.476.4211 ( <i>Psych Dept.</i> )	<b>Location:</b>	Eureka Campus
<b>E-mail:</b>	<a href="mailto:Kevin-Matlock@redwoods.edu">Kevin-Matlock@redwoods.edu</a>	<b>Office Hours:</b>	TTH 1:10 PM – 2:00 PM ( <i>by appointment</i> )

## === Overview ===

### Course Objectives

1. Explain concepts in areas of psychological theory
2. Recognize and understand the impact of diversity
3. Demonstrate critical thinking skills and information competence for psychological topics.
4. Analyze how experience, culture, learning, and biology affect behavior and cognitive processes

### Textbook

As our primary text we will use *Psychology, 4<sup>th</sup> Edition* (Ciccarelli & White, 2014). Up to 10% of our exam questions may be pulled **directly from the text** without being discussed in class, so chapter readings are essential for doing well in this course. To find a discounted copy of our textbook (ISBN: 0205972241) please check the database below:

<http://www.bookfinder.com>

### Materials

Handouts, PowerPoint slides, and assignments can all be found on Canvas. It's a good idea to **access Canvas regularly** to view recent announcements, hints, and grades.

## === Requirements ===

### Participation (100 points)

Attendance and participation in lecture will contribute 100 points toward your final grade. **Students are allowed 2 unexcused absences**; 15% of the participation grade will be subtracted for each additional unexcused absence. Absences due to illnesses, when accompanied by a doctor's note, may be excused. If you know you'll miss class, be sure to talk to me ahead of time.

### Exams (400 points)

There will be **2 midterms** (each worth 100 points) and a **cumulative final** (worth 200 points). Exams cover material from lecture and class discussions. Once scores have been entered, I do not allow students to keep exams; but feel free to visit them during office hours if you wish to review your work. Exam review materials can be found on Canvas.

### Writing Assignment (100 points)

To fulfill the writing component of this course, you will be asked to complete a **research paper** in which you critically evaluate research in psychology. The first draft (worth 25 points) will be graded as *credit/no credit*, while the second draft (worth 75 points) will be graded on *completeness and writing quality*. Papers should be typed and handed in at the *beginning of lecture* on the due date. Late assignments may be eligible for partial credit if arrangements are made within one week.

### === General Policies ===

#### Extra Credit

Extra credit opportunities may be announced throughout the semester. Be sure to access Canvas regularly for details about extra credit opportunities as they appear.

#### Grading (600 total points)

Participation (100 points) and the research paper (100 points) comprise roughly 35% of your total grade; 2 midterms (100 points each) and the final (200 points) comprise the other 65%. Unless otherwise stated, final grades for the course will be scaled in the usual fashion (e.g., “B-” = 80 – 82%; “B” = 83 – 86%; “B+” = 87 – 89%).

#### Non-participation

Please be aware you may be automatically un-enrolled from the course for non-participation. Non-participation includes missing 3 or more classes in a row, as well as failing to complete exams and assignments in a timely fashion. Non-participation will be evaluated twice during the semester: Once immediately after **census (9/12/16)** and again after the **10<sup>th</sup> week**. If any problems arise that prevent you from fully participating in this course, please notify me as soon as possible to make arrangements.

#### Missed Exams

If you know you will miss an exam, you must schedule a make-up at least **one week** in advance. **No last minute or post-test make-up exams will be given.** Students affiliated with CR Athletics or Disabled Students Programs and Services (DSPS) may schedule exam make-ups outside of class. Please notify me during the first week if you intend to utilize this option, and be sure to bring the appropriate notification to me as soon as possible.

#### Drops/Withdrawal

If you no longer wish to attend, you are responsible for un-enrolling from the course. The last day to drop this course **without a “W”** and still receive a refund is: **9/9/16**. The last day to drop this course **without a serious and compelling reason is: 11/4/16**.

#### Getting Help

For help, please feel free to contact me during office hours, via email, or using our Canvas forum. *Posting to Canvas is especially useful as Q&A is accessible to the entire class.* Students interested in tutoring services are advised to contact the Academic Support Center:
